First Draft Playoff Game July 23rd, First A Division Playoff
Early Game Saturday Aug 2 & League Picnic.

Draft Playoffs designated with RR for Round Robin and seedings.

Timed games are still **encouraged** here as a way to maximize playing time for all players and to have some certainty as to length of the game. Play to DST time, ie half at 7:15, game at 8:00 or whatever light permits, or stopwatch time; 48 minute halves with 2 TO's per half, etc. These are your only games of the day, so to get enough Playing Time for everyone work with your opponent to come to an agreed on format. Points may be to as many as 17 or 19 in good conditions with a cap at leader + 2 at 8:30 or whatever gets a long game in good light. Be safe.
